OPTION 3 - DESIGNED TO BE DIFFERENT

A total bespoke solution. We can build stands to suit your needs; any size, any colour, with bottle fridges, ice machines and indeed any equipment that your business needs. Please call to discuss.

We have many different machines available to sit on our stands.

- Brasilia Bonilla - Large capacity machine that uses fresh beans, powdered milk and chocolate. Designed to produce up to 300 cups per day. Basic cleaning required.
- Franke Flair and mini fridge - fresh bean to cup machine that uses fresh milk and produces up to 100 cups per day.
- Franke Evolution / Brasilia Ciao large capacity fresh bean to cup machine that uses fresh milk and produces up to 500 cups per day.
- Separate Chocolate machines available to fit on your stand.

These are our 3 best selling coffee machines suitable for our stands, we have other options available upon request.

why not increase your profit potential?

- Want to make over 1000% profit serving real coffee products?
- Increase footfall and turnover?
- Increase customer loyalty and new customers?
