Caffe Society®, one of the UK's leading coffee and espresso machine providers, is working in partnership with The Kenco Coffee Company to provide a range of coffee and beverage solutions for the office and workplace environment. Our focus is on providing high quality user friendly drinks solutions that give great value for money.

Why choose Caffe Society?

- We are coffee experts with many years experience in the industry
- We stock a full range of machines and ingredients at our UK distribution centre
- We provide a free telephone help desk
- as first line support for all our coffee machine customers
- We have a nationwide team of highly trained and experienced engineers for installation, service and support

Points to consider when choosing a coffee machine for the office:

- Quality of the coffee / beverage
- Ease of use
- Ease of cleaning and maintenance
- Cost per cup
- Cost of machine
- Size / output of the machine
- Freevend or coin operated

KENCO IN-CUP

Sustainability

Kenco are not just passionate about great tasting coffee, but also about ensuring a sustainable future for coffee farmers. They are committed to producing quality coffee long into the future and have been working in the area of coffee sustainability for over 15 years.

At least 75% of beans for the entire Kenco freeze-dried coffee range are sourced from Rainforest Alliance Certified™ farms and Kenco's intention is to source its entire coffee portfolio from Rainforest Alliance Certified™ farms by 2010.

In addition The Kenco Coffee Company's Away From Home portfolio includes PG tips* tea, fifty percent of which comes from Rainforest Alliance Certified™ farms and Suchard Hot Chocolate which contains cocoa sourced entirely from Rainforest Alliance Certified™ farms.

A wide range of point of sale item are available, with other items available on request:

Who is the Rainforest Alliance?

Founded in 1987, the Rainforest Alliance is an independent, non profit organisation. They promote standards for sustainability that conserve wildlife and ensure the wellbeing of workers and their communities. The Rainforest Alliance Certified™ programme assures consumers that the products they are buying come from farms that meet demanding standards for environmental, economic and social improvements.
