

HLF 4600 Instant

Fresh Coffee Beans, Instant Milk and Hot Chocolate

Introducing the HLF 4600. Modern technology meets classic style in this excellent bean to cup coffee machine. The 4600 utilises fresh and powdered ingredients for great yet simple coffees, plus with 2 internal powder canisters it can also serve hot chocolate, mocha and decaf. This flexible functionality allows the customer to choose from 12 different drinks. The touch panel and LCD screen make all of these options available at the touch of a button.
